

# HOSE REELS

## POLY RAPID REELS

Poly hose reels offer many benefits over steel with rust free and vibration resistant performance just some of them. All Rapid Reels also feature brass and stainless steel fluid components for chemical resistance.

### FEATURES:

- ✓ Australian made
- ✓ Trusted and proved for over 15 years
- ✓ UV stabilised poly spool with 10 year warranty
- ✓ Abrasion and kink resistant braided hose
- ✓ Virtually unbreakable
